Into August we go with some fun events planned, from the Victory Casino cruise, another Parrot Head golf scramble at Tarpon Boil to a pool party. Also we have some great music at our Phlockings, starting at Palmer CC with the Scuba Cowboy, Pup Morse. This is what we continue to do, finding new music at the Phlockings; Sandi Senator has again arranged a great month of it. Rich Schooner McGuire will be at Mallory #1 and Retro Express will be coming back at Mallory #2, so come out for what will be fun times.

Welcome to the 37 new members; you have joined a fun and exciting club and we look forward to seeing you at our events. This newsletter is a great way to find out the what, when, and where, for not only the month but in the future.

We have a very important event in September and I urge our members to come out and support the Hospice Golf Tournament on September 14th at Mallory CC. All the money raised goes to The Villages Hospice. Bring your own team, twosomes or you can be a single. So bring family or friends as this is open to everyone.

So off to a fun month, see you at Palmer!!

Our Parrot Head Profile this month features Rob Ainsley.

Rob and his wife Terri live in the Village of Tamarind Grove in the Montbrook Villas. They did their research before they moved here and found the home of their dreams. They have lived there for six years and have wonderful neighbors who get along well with each other and provide a great network. In fact, they have made good friends with some of their snowbird neighbors and will be visiting them soon in Seattle!

They became Parrot Heads a little over two and a half years ago. They attended a Phlocking and have been hooked ever since.

They have also been active in The Philadelphia Club, the Irish Club, and the Latin American Club but the Villages Parrot Head Club is where they devote much of their time.

Rob and Terri are both originally from Philadelphia. Before he became a Villager he worked in a Naval Ship Yard in Philadelphia and Norfolk Virginia. He had forty-one years of service with the Department of Defense working for the Navy. It was very interesting work and a great job.

He first became acquainted with the Parrot Heads out on the Town Squares but didn't know too much about the club until they happened upon a Phlocking. They observed it and inquired more about the club, liked what they saw, and now they're hooked!

Rob has volunteered for many of the club's activities including the Poker Run, the Blood Drive, the Chili Cook-off, as well as helping out at the anniversary parties. Basically, he has helped out with whatever the club needed.

He is currently Chairman of the September 14th Hospice Golf Tournament that raises funds for the Villagers for Hospice.

Some of his favorite things about The Villages Parrot Heads are belonging to a great and generous organization as well as meeting new quality folks.

He would advise new members that it is such a gratifying experience to participate in worthy causes where you are able to help those in need or those not as fortunate as yourself and helping people in general. They would definitely benefit by getting involved in the many activities the club sponsors.
