

## Lisa MacLeod Interview

Our Parrot Head Profile this month features Lisa MacLeod. Lisa and her husband Paul are residents of The Village of Del Mar. They will be there for two years this November. They originally came to The Villages to rent for three months while they were looking for another live-aboard boat to buy. After renting for two weeks they decided to buy a house in The Villages instead! They like The Village of Del Mar because of the beautiful mature landscaping and for the proximity to both Spanish Springs and Sumter Landing town squares where they enjoy hearing the live music almost every night.

Lisa and Paul's "boat neighbors" who had recommended The Villages to them as a place to rent while looking for a new boat also ended up moving here and joined The Parrot Head Club. They loved the club and told Lisa and Paul about it so they joined too. Having lived aboard a boat for five years, Lisa says that Jimmy Buffet sings about their lifestyle.

Lisa is a member of The Villages Art Association since she does wall art for photography and digital art. She is also a member of The Trop Rock Ukulele Society and The Drone Club. She is now learning to play golf too.

Lisa was born in Washington DC and lived all her life in the DC and Maryland area. Her husband Paul is from Michigan. They met ten years ago and he moved to Maryland while she finished her job before retiring.

Photography, video production, and graphic design were Lisa's line of work for about thirty-three years before she retired and moved to The Villages.

Having been a professional photographer it seemed a natural fit for Lisa to volunteer as our club photographer. She loves to capture the spirit of the club in her photos and notes that our members are always happy to have their pictures taken while having Phun!

**Bob O'Neal 1/29/2017**

What Lisa likes most about The Parrot Head Club is the positive attitude that everyone has. It was almost overwhelming at first when she was wearing the white lei as everybody was coming up to her to say hi and even let her ahead of them in the drink line! She says the charitable causes we sponsor are just the icing on the cake. It makes her feel good to be able to help out.

She would advise new members to volunteer for something – anything – because that's the best way to really meet people in the club. Pick something that you know how to do and you're sure to find a purpose for it in the club.
