OPERATION PACKPACK

It will soon be that time of year again Parrot Heads, for the kids in the area to head back to school. As we have done in the past, we will be donating to the Wildwood & Fruitland Park Elementary Schools with as many truckloads of supplies that we can collect at our PHlockings in August.

A complete "wish list" will be posted at a later date, but let's just say these kids and teachers need everything. In addition to pencils and paper, Parrot Heads who have gone to the schools saw a need for the simple stuff, like socks and undies.

Keep an eye out for the "back to school sales" and you can get some real bargains for this stuff.

Due to storage considerations, items will be collected at PHlockings on August 5th at El Santiago and August 20th at Mallory only.

Please call Pat Subers at 751-0156 with questions.

HABITAT VOLUNTEERS

For those still interested in volunteering for Habitat for Humanity, the local site for information is www.habitatlake-sumterfl.org. If you want to sign up to work, go to volunteer@habitat-lake-sumterfl.com and it will show you the days each site is working, the hours of work for that day, and what they are working on. By signing up you are also letting Habitat know how many are going to show up to work on specific day which is a great help to them. If you have any questions concerning Habitat or their volunteer work, please call Gary Blanchard at 750-6287 or Will Stone at 205--8846.
