“Year of the Pirate”

Edited by Marty Guilliouma

President's Corner

“Mark the Shark” Woodland

April was sure a bazaar month for our club. We lost Steve Larson, our Media Director, but as I am positive, he would have said the same words as Jimmy Buffett, “Keep the Party Going”, and we sure did just that.

Our annual Poker Run and Basket Raffle for charity was a huge success as we raised over \$17,000 for local charities to help those a little less fortunate than ourselves. We certainly lived up to our motto to “Party with a Purpose. Special thank you to Kathi Purdy, Eileen Murray, Joy Klemenic, and just too many to name who put in countless hours to make this a great success.

A Team Drink to you all – you deserve it.

110 club members then ventured northward to the Panama City Beach “Rendezvous” for a weekend of Trop Rock Music and phun in the sun. We enjoyed this year’s party with th theme “Bubbles Up”. Thanks to everyone who helped with the tent set up and break down and especially, John Benson, who transported 8 tents-both ways. We are already looking forward to next year.

We returned for a relaxing tailgate party before a fantastic “LandSharks” Concert. The entire Savanah center was rocking all night long !!

We ended the month with our first ever “ApriLuau” with our decorated golfcarts parading to Brownwood Paddock Square for havoc and mayhem. We were dressed in grass skirts, Hawaiian shirts, coconut bras, leis, etc. and ended up at the Bluefin Bar & Grill. Bartender, Mike Miller (and club member), took good care of all of us. What a phun afternoon !!

In May, we will venture to Homosassa for our annual Homosassa Bash. I am sure there will be lots of stories, but just like Vegas, “What happens in Homosassa - Stays in Homosassa”. Have a great time everyone – I’ll see you there !!

That’s all for now Parrotheads – C U all soon – and keep your phins up __^__.

Congratulations Ann Blanchard

"LIFETIME ACHIEVEMENT AWARD"

Ann Blanchard was presented with the 1st Villages Parrot Heads Club with a **"Lifetime Achievement Award"** for her outstanding services and contributions at our 20th Anniversary party on March 1st.

Ann is a charter member and one of the founders of our club in The Villages. She and her husband, Gary, have been married for 25 years and helped us move from the Ocala Parrot Head Club and start our own club in The Villages. Our phlockings started at the El Santiago Restaurant, which is now the recreation center where we now hold our monthly Board of Coco-Nutz meetings for nostalgia.

Ann has lived in The Villages since 1998 and comes from Mt Dora, FL. Her husband Gary was originally from Virginia. Ann has been and still is a hairdresser in The Villages, and has been in this profession for 63 years.

Ann has been planning Club events since it started with the help of past-president, Lee Caron. They have planed and implemented our Anniversary parties and our annual Homosassa Bashes. Her zany mind just keeps on going and going, sometimes more than the energizer bunny. We often say that we have to "reel her in". She is loved by so many in our club. After Ann plans these events and gets many members involved, it is always heard saying:

"It's gonna be a HOOT!"

and it always is !!

Ann's advice to members, both new and old, is to "come on in, have a seat, get involved, and have fun - and if you don't, you are missing out". She emphasizes that everybody has to do their part to make this club work as well as it does. She also says she loves watching people and how they achieve things, and that **makes her very happy**.

When you see Ann, please thank her for all she has done for our club, and congratulate her on her award. Let her know how much she is loved by all !!

Parrotheads gather at phlockings to learn about upcoming activities/events while enjoying good food, drink, and great live music. Wear your lanyards and enjoy the phun!!

April 22, 7pm Landsharks Concert

WOW! Now that was phun, again!!!! Before the 7pm show, many club members tailgated in the Savannah parking lot with food, drinks, music, and excitement. And, we were not disappointed in the concert. Mark-the-Shark introduced the LandSharks which kicked-off one of the most interactive concert experience. From the 1st (of 3) conga lines, there was cell phone flash light waving, singing & cheering, hula hoops, beach balls, and dancing in the isles. **It was Margaritaville - HOT, HOT, HOT!!!!**

Please, do NOT miss this event next year.

April 26 1st Apriluau Parade

This was our **1st Apriluau Parade** to celebrate the music & the life of Jimmy Buffett (1946-2023). 30+ golf carts were decorated in traditional Parrot Head & Luau style. And their drivers were "looking like" their carts, in style. After tailgating at Eisenhower RC, the parade started to Brownwood causing "Havoc and Mayhem" on the Square, ending up at the Bluefin Grill & Bar. This could/might become an annual event?!?!?

April has been an interesting month with differing event venues and changes due to inclement weather, which has required making timely webpage updates to keep all members current and informed. For example, the April 3 Phlocking was cancelled and the New Member Orientation postponed due to weather, with notifications quickly posted to the website on our member's behalf.

On the email side, we had 39 additional members between April 1-22, 7 (18%) were membership renewals and 32 (82%) were new. In context, 32% of our total 2024 membership are new suggesting (no surprise) most additions going forward are going to be new members.

Email and spelling corrections, etc. have been resolved for most existing/renewing members while new members require a little more attention. Their new and differing perspectives is refreshing and we stand by to assist. So welcome aboard!

50/50

Dig out your tropical gear for a laid-back and upbeat tropical/luau dance. Ladies, wear your favorite Bright colors, floral prints, or even a grass skirt or sarong. Guys, don those loose and comfy shorts, Hawaiian-style aloha shirts, and sandals.

Angel Wigs of Hope (AWOH) is a local charity (501C3) committed to being a resource to women with cancer. Their primary service is providing new wigs, at no cost, to women who are navigating the side effects of the cancer treatments.

They also offer assistance with overall well being, appearance, and quality of life.

In short, they provide education, care, compassion, and hope to each of their patients.
