It is amazing the amount that this Club has earned for charity over the past month. Between the Poker Run and our Relay For Life team, over \$14,400 for Parrot Head charities and the American Cancer Society.

Poker Run Wrap-Up

The Poker Run on March 21st broke all kinds of records. There were 753 tickets sold to Parrot Heads and guests. There were 47 baskets donated by your PHlockmates for chance drawings, along with a 50-50 that was one of the best yet. The total amount raised for Parrot Head charities is \$6990!!!!

Event Chairs Charlie Howlett and Paul Kinder, along with the "Basket Lady" Molly Boatman, were awarded at the Birthday Bash. Deep appreciation and special thanks go to those folks who worked behind the scenes with everything from set up to clean up. A big thanks to the overall success of this event also goes to the folks who donated the baskets.

Our Relay Team Wins First Place Trophy!!!

The Villages Relay for Life on April 24-25 was the first time the Parrot Heads entered a team, and in true PH fashion, managed to succeed all expectations, including bringing home the first place trophy for campsite decorations and another 1st place trophy for the most spirit chips (points) for team participation. The judges were clearly impressed with our team effort. The team hit the ground running at 2pm to set up camp and decorate. The walk started at 6pm with our team Survivors taking the track followed by team members walking all night until 10am on Saturday.

The highlight of the evening was the lighting of the luminaria surrounding the track. Crying was allowed. At least 60 Parrot Heads were on hand to support our team. Talk about "party with a purpose" and it was all done without any margaritas!!!! Over \$7444 was raised for the American Cancer Society by our team!

Heartfelt thanks go to Team Captains Carolyn Barger and Judy Turner, along with Barb Hopper for arranging the walkers. And all those volunteers who walked—it was truly amazing.

ENVIRONMENTAL - ADOPT-A-LAKE

The PHlock ascended on Paradise Lake in The Villages and, along with some very watchful eyes of some ibises, cleaned up the lake shore area.

What great press the Club got in the Thursday's (April 30) Daily Sun. This worthwhile service project was organized by our Cori Purdom. A Jimmy Buffett desire is to have each Parrot Head Club give something back to the environment. The PHlock certainly met that challenge and succeeded in true Parrot Head fashion. Not only is trash in the water unsightly, it does cause harm to the critters who call the lake home.

This ongoing project will be done on a monthly basis. There were 25 folks who came out in April to help. We will need a whole nest of volunteers to pull this off as not everyone can do every month. If this is something you can do, please call Cori for details at 750-4949. You will also get a Parrot Head "Work Crew" shirt to wear on the job.

The next Adopt-A-Lake Clean-up is scheduled for Wednesday, May 20. The "crew" will meet at the park near the golf cart bridge at 10am. Please bring a 5 gal bucket if you have one and be sure to wear enclosed shoes, garden gloves, hats, and sunscreen.

BUFFETT TRIVIA

"Why Don't We Get Drunk (and Screw)" was written in the early seventies and was the " B " side of his first ABC single "The Great Filling Station Holdup". Shortly after its release, it surpassed 50,000 in sales, almost strictly for juke boxes. The inspiration for the song came in an Atlanta hotel bar as Jimmy was watching a drunk salesman try to pick up a "lady of the evening". Jimmy shows us his sense of humor by listing the author as " Marvin Gardens " on the 45rpm label.

PHINS UP SHOP

The Phins Up Shop is open at all PHlockings carrying Parrot Head shirts, hats, and other Parrot-phernalia all with the Club logo. There are try-on samples available for the shirts which must be ordered. All other items are cash-and-carry. The Shop, run by Glenny Kinder and her staff of volunteers, has exceeded all expectations. All ordered items are available for pickup at all PHlockings and usually take about a week to come in.
