

How can I find all my previous orders?

25-Nov-20

If you ever want to check any of your orders, there are two ways to do it.

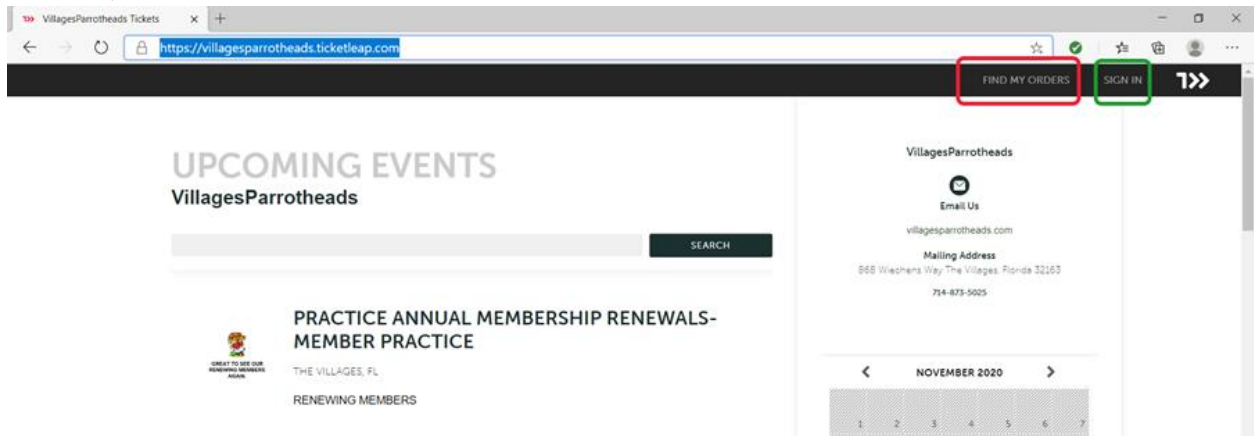

- 1) Create a TICKETLEAP ACCOUNT- You can always create an account as you would with any other system including Ticketmaster or Paypal.
- 2) If you do not want to create an account, you can still check your orders. Simply click on the “**FIND MY ORDERS**” icon and then enter the email address used to buy your tickets. An email will automatically be sent to that address showing all purchases.

Our TICKETLEAP ACCOUNT IS: [VillagesParrotheads Tickets \(ticketleap.com\)](https://villagesparrotheads.ticketleap.com)

Here’s the screen you will see.

If you have an account, click **SIGN IN**.

If you do not, click **FIND MY ORDERS**.

Once you do, you will see a screen to enter your email.
