### **2020 Villages Parrot Head's First Quarter Report.**

As President of the Villages Parrot Heads Club, I am proud to present some totals for the first quarter of 2020. As you know we are a proud club and are fortunate to have the luxury of over 1500 members who want to help.

In January, we held a Country western Hoedown, and with the help of our corporate sponsor, Parady Financial, we were able to raise and donate \$4000 to Project SOS (Support Our Soldiers) which helped to feed homeless veterans and their families.

In February we donated \$3000 to Shepherds Lighthouse which is an organization that helps people navigate homeless single mothers through life's storms by rescuing, empowering, and renewing their lives. We also had our first of four annual blood drives in February where we collected 276 pints of blood or 34.5 gallons.

In March, due to the coronavirus shut downs, we raised over \$4000 with a drive-by/mail-in donation fund to help out of work servers and bartenders at the locations that we frequent. The club also added funds to make a total of \$5000.

Through donations by our members, we were able to donate \$662 worth of food to area food banks.

As we have three phlockings a month, we had 2,073 members attend phlockings, and we decided to pay the entertainers ½ of their pay that they would receive after they were cancelled due to the coronavirus shutdowns.

In the first quarter of 2020, our members contributed 3,674 hours toward charity work.

Like I have said in the past, I am fortunate to belong to a club with such caring individuals who would like to leave the world a little better than we found it. We look forward to this pandemic to be over and things can get back to normal and we can "Party with a Purpose" once again. But until then, we shall continue to pray for and support anyone who has been affected by this. Stay safe everyone and please make wise decisions.

Respectfully,  
Mark "the Shark" Woodland  
President, the Villages Parrot Heads Club
