President's Corner

The month of March was a major success for our Parrot Head club. We had 3 great Phlockings, a bus trip to see a Broadway play, a successful blood drive, and the most successful Poker Run in history.

My wishful goal was to raise \$20,000 for charity at our first Poker Run/Basket raffle in 3 years. Well, the total for this day was over \$22,308. Not in my wildest dreams did I really expect to hit this goal, but to surpass it is just incredible. And we still have some unclaimed baskets which we will raffle off at our phlockings in April which will add to our totals. A-ma-zing !!!!!

There are so many people to thank for their tireless efforts and hours and hours of hard work and preparations. Kathy Newstat and Kathy Purdy, chair and asst chair for the Poker Run. Terri Ainsley, Eileen Murray, and Julia Allen for the basket raffle, all the captains and volunteers for the stations, Carol Oneil for organizing the games, all those who put in so much time making baskets, everyone who got up early to set up and stayed to clean up, and everyone who donated items, baskets, anything and everything. There are way too many names to mention. And of course, everyone who came and participated and helped us surpass our goal. You all are the best. Thank you, Thank you, Thank you. You all define the term "Party with a Purpose". A double/triple team drink to all !!

April will bring us lots more phun. We have 3 great phlockings planned with some new music, and we are going back to kind of celebrate our startup after covid with a drive way party. Many are heading to Panama City beach for rendezvous. We will finish up the month with our Homosassa bash, themed "Sharks that Swim on Land". It is sure to be a great month.

Just a note, as our Homosassa trip will be April 29th, 30th, and May 1st, our newsletter may be a little late next month (May) as we recover from so much fun. But we will get it to ya as soon as we can. And we want to tell ya some stuff about the Bash!!

So always keep your Phins Up Parrot Heads!! __/__ !!! We will C U real soon !!

Wednesday, April 6th Phlocking

There were 25 baskets that went unclaimed that will be raffled off at April's Phlockings.

The Story of Jimmy Buffett (Part 3) by Mark "the Shark" (with help from Wikipedia)

Jimmy Buffett married Margie Washichek in 1969; they divorced in 1971. Buffett spent years working as the first mate on the yacht of industrialist Foster Talge on the *Petticoat III* in Key West while perfecting the "Caribbean Rock n' Roll" genre. Jimmy and his second wife, Jane (née Slagsvol) have two daughters, Savannah Jane and Sarah Delaney (Sarah was almost named Sara Loraine, after her grandmother, but was named Sarah Delaney after her grandfather), and an adopted son, Cameron Marley, and reside in Sag Harbor, New York and West Palm Beach Florida. They separated in the early 1980s, but reconciled in 1991. Buffett also owns a home in Saint Barts, a Caribbean island where he lived on and off in the early 1980s while he was part owner of the Autour de Rocher hotel and restaurant. He spends part of the summer traveling about the East Coast on his sailboat. An avid pilot, Buffett owns a Dassault Falcon 900 that he often uses while on concert tour and traveling worldwide. He has also owned a Boeing Stearman, Cessna Citation, Lake Amphiban and Grumman Albatross.

Jimmy's father died May 1, 2003, at the age of 83 and then his mother passed away four months later on September 25. In 2015, Buffett spoke at the University of Miami's graduation ceremony and received an honorary doctorate in music. Wearing flip flops and aviator sunglasses, he told graduates, in a paraphrase of his song "The Pascagoula Run", that "it's time to see the world, time to kiss a girl, and time to cross the wild meridian."

The answer to Barb's trivia question is B. While Jimmy was in college he played with the Upstairs Alliance up and down the Gulf Coast.

The Poetry of Jimmy Buffett

Delaney talks to statues
 As she dances 'round the pool
 She chases cats through roman ruins
 And stomps on big toadstools
 She speaks a language all her own
 That I cannot discover
 But she knows I love her so
 When I tuck her 'neath the covers
 Father, daughter
 Down by the water
 Shells sink, dreams float
 Life's good on our boat
 Delaney draws me pictures
 She finger paints the sand
 We chase the dogs and hop like frogs
 Then I do my bad handstand
 She's growing up too fast for me
 And asking lots of questions
 Some I know the answers to
 And some I'm looking for suggestions
 Father, daughter
 Born by the water
 Surf's up, sun's down
 Life in a beach town
 And some of the things I've seen
 Maybe she won't have to see
 But there's a lot I want to pass along
 That was handed down to me
 Delaney talks to statues
 As she dances 'round the pool
 She chases cats through Roman ruins
 And stomps on big toadstools
 She speaks a language all her own
 Just a little like her mother
 And she knows I love her so
 When I tuck her 'neath the covers
 Father, daughter
 Down by the water
 Shells sink, dreams float
 Life's good on our boat

Our Parrot Head Profile this month features Judy Turner. Judy and her husband Larry have lived in the Village of Belvedere for 18 years now. When they bought their home it was the newest part of The Villages Nothing had yet been built south of 466 and it has proved to be a great location; close to shopping, the library, and the banks. They also love the privacy of their lot on a golf course and nature preserve. Judy and Larry are both very involved with the Church of the Lakes, where

Judy volunteers teaching children's church, and have just joined a beach club and are looking forward to their first trip with them. She said her passion is making greeting cards! She goes to some classes and makes them on her own too. She also loves to read and enjoys her quiet time.

Lake Monticello in central Virginia is where Judy grew up. Her career was with General Electric where she spent 28 years in manufacturing and accounting. Four years after their jobs were outsourced to India they moved to The Villages where she immediately started working for the Villages sales office. She was a tour guide for four years and worked for one of the sales reps for the next 14 years.

Judy has a son and a step-daughter, a sixteen-year-old grandson, three step-granddaughters, and one step-great-granddaughters! They reside in North Carolina and Virginia so they're not too far away.

Back in 2004 when El Santiago restaurant was where the Parrot Heads had their phlockings, Judy and Larry heard about the club and joined up right away. Judy volunteers each week as a greeter at Cornerstone Hospice. She has volunteered there for eight years and she informed me that the music room there is dedicated to the Parrot Head Club because we have donated over \$100,000! She also volunteers at the blood drives, the poker run, and this year she will be chairing the holiday party.

For Judy, the charity work that the club does helping our community is what she values most. And of course all the wonderful friendships they have established and the fun we have! Her advice to new members about getting involved with the club is that since our club is so large they need to start by stepping out and volunteering every way they can because it's the best way to meet people and establish friendships.
