## President's Corner

I'm writing this President's Corner a little early this month as I am heading to our Homosassa Bash with the theme of "Shark's That Swim On Land". This promises to be a great weekend so watch for pictures and stories of all the games, bands, and antics from everyone.

This past month was one for the record books as many of our members ventured to Panama City Beach Parrot Head Club's "Rendezvous" on the beach. Wow, what an outstanding time we all had, and I even won the hat contest for our club. I will be bringing it to the Belle Glade Phlocking as we reminisce about a great weekend. If

you have never been to rendezvous, let me tell you a little about it. Tents on the beach, next to the Gulf, with hundreds of Parrot heads from around the country listening to some awesome music on a beach stage from 10am till late at night (not Villages late at night as they played past 9pm.) Jeff Brewer and their staff did a fabulous job of putting it together, through some adversity, and we certainly hope they do it again next year. There is some doubt, but I hope so. I will keep you informed as I hear anything. Thanks to all who ventured for hundreds of miles from our bubble.

Back at home we again had 3 great phlockings, with some new music, and also a great afternoon at the Himalayan golf tournament. Thanks to Carol O'Neal and her committee for putting on a phun tournament. And congratulations to all our winners.

May will bring 3 more phlocking, and don't forget our Belle Glade Phlocking will be on May 15<sup>th</sup>, not May 8<sup>th</sup>. (Happy Mother's Day to all the Moms) We have a trip to Margaritaville night at the Tampa Bay Rays, our Golf Scrambles start, and we will have a fundraiser at Cody's for Patriot Dogs which help Veterans on May 24<sup>th</sup>. Sarasota Bay Parrot head Club's Birthday Party is the weekend of May 20-22, and many of our members are headed there for a phun filled weekend. There may be registrations and hotel rooms still available so check out their web site.

Well, it's off to Homosassa for me, and I hope to see many of you there.

Keep your Phins Up Parrot Heads \_\_/\\_\_. We will, of course, see you all soon !!

## Travel Committee

### Do you want to get more involved?

The Village's Parrot Head Club is successful because we provide venues and events that meet and sometimes, exceed member expectations. It doesn't happen by accident. It's a mixture of imagination, investigation, planning and execution. It's members getting involved to come up with great events.

Judy Koch, our Travel Director, is the Chairperson of the Club's Travel Committee. She is always looking for new members and new ideas. You are needed. Stop by on Thursday, May 12th, at Perkins restaurant on 441/27 to see what it's all about !! Dinner is at 5pm, with the meeting starting around 6pm. And you get 1 Parrot Point for attending.

This is your club. We are only as much fun as we want to make it. It all depends on what you want to do.

**If you plan to attend, please send Judy an email at [parteeper11@aol.com](mailto:parteeper11@aol.com) so she can give Perkins a heads up on how to staff the room.**

## The Story of Jimmy Buffett's Music Career

By Mark the Shark (with help from Wikipedia)

Buffett began his musical career in Nashville, Tennessee, during the late 1960s as a country artist and recorded his first album, the country-tinged folk rock record "Down to Earth", in 1970.

During this time, Buffett could be frequently be found busking (playing in public with a tip jar) for tourists in New Orleans. Fellow country singer Jerry Jeff Walker took him to Key West on a busking expedition in November 1971. Buffett then moved to Key West and began establishing the easy-going beach-bum persona for which he is known.

He started out playing for drinks at the Chart Room Bar in the Pier House Motel. Following this move, Buffett combined country, rock, folk, calypso and pop music with coastal as well as tropical lyrical themes for a sound sometimes called Gulf and Western, or tropical rock.

Today, he is a regular visitor to the Caribbean island of Saint Barts and other islands where he gets inspiration for many of his songs and some of the characters in his books. With the untimely death of friend and mentor Jim Croce in September 1973, ABC/Dunhill Records tapped Buffett to fill his space. Earlier, Buffett had visited Croce's farm in Pennsylvania and met with Croce in Florida.

Buffett's third album in 1973 was "A White Sport Coat and a Pink Crustacean". Albums "Living & Dying in 3/4 time" and "A1A" both followed in 1974,

"Havana Daydreaming" appeared in 1976, and "Changes in Latitudes, Changes in Attitudes" followed in 1977, which featured the breakthrough hit song Margaritaville.

More in the next Newsletter.

Answer :

B. The A1A designation ends in Miami. The road to Key West is U.S. 1 which runs from Maine to Key West, FL. along the eastern United States

## The Poetry of Jimmy Buffett

### Perrier Blues

Ridin' high atop the main mast  
 Harbor stretched out below  
 All day I've been feelin' kind of half-assed  
 So I asked the boy to lower me slow  
 Lower me slow  
 Sat down and drank me some Perrier  
 Watched the seaplane disappear out of sight  
 Confused in my head well I jumped back in bed  
 Wondering who's at the fronton tonight  
 Shinin' bright  
 I know the night and I miss it  
 I've got this thing for applause  
 But like a cat on my rockin' chair cushion  
 I've got to stretch my claws  
 Move my jaw  
 I know I've got the best of both worlds  
 Though that sounds like a T.V. show  
 When that anchor goes down and the sails are all furled  
 Well it's back on the road I go  
 Back I go  
 Well I bitch about the food and the weather  
 Wondering why the hell I ever came back  
 But knowing deep down I love this merry-go-round  
 And I can't wait to lay down this track  
 When I get back  
 Yeah, I know the night and I love it  
 I've got this thing for a show  
 If the ball's hit my way I'm going to glove it  
 'Cause that's the only thing I know  
 All I know  
 Yeah, I know the night and I miss it  
 I've got this thing for applause  
 But like a cat on my rockin' chair cushion  
 I've got to stretch my claws  
 Move my jaw  
 Move my jaw  
 Can't seem to lose those Perrier Blues  
 Can't seem to lose those Perrier Blues  
 Can't seem to lose those Perrier Blues

These pages will be updated every few days, so seeing your information is may take a couple of days. However, we hope you find this an exciting new feature to make your VILLAGESPARROTHEADS website even more useful and fun to navigate.

Of course, any questions or comments, please contact me.

Our Parrot Head profile this month features the dynamic duo of Jackie and Jim Lippe. Jackie and Jim live in The Village of Tamarind Grove. They moved there in April of 2011 and they love the convenience of their location as well as their great neighbors. They are close to their pool and postal station as well as easy access to I 75 and the turnpike.

Jim is very involved in the wood working shops where he makes pens for our servicemen. He likes both shops that The Villages offers since they both have some different equipment. Jackie is very active in St. Vincent de Paul church where she helps with tallying up the collection. They are both members of the Mickey Fanatics Club where they work at the fund raising marathons they sponsor.

Jackie and Jim both grew up in the small town of Fredonia, Wisconsin where they've known each other since High School, married, and raised their four children. They've been married 59 years now!

St Joseph's Hospital in West Bend, Wisconsin employed Jackie for 42 years. She was the Director of the Business Office. Before retiring here Jim was a tool and die maker and manager for Vulcen Industries, making parts for Harley Davidson. He also had his own company selling real estate and was involved in building houses with his sons.

Jackie and Jim have three sons and a daughter as well as 13 grandchildren! Their sons live in Wisconsin and daughter lives in Dublin, Ohio. Their first great-grandson was born on Valentine's Day this year and they are looking forward to meeting him in a few weeks when they go back home to Wisconsin for a wedding.

They both enjoy Jimmy Buffet's music and had seen him when he performed in Alpine Valley, Wisconsin. When they first moved down here they saw that there was a Jimmy Buffet look-a-like contest at Seabreeze. They rode over in their golf cart and while there they bought their first tickets to the poker run, and even though they didn't win the look-a-like contest, they have been members ever since!

Jackie and Jim have volunteered for the poker run, toys for tots, and the Leesburg parade. They've helped with food pantry pick-ups, counting food, and delivery for 7 years. Currently they are assisting Johnny Ward with membership so you may have seen them at phlockings at the membership table handing out badges. They both say that the music is one of their favorite things about our club and also the good we do in the community. They also really appreciate the Parrot Heads in Paradise Scholarship Program because their granddaughter won first place of \$5000. Later on their grandson won second place of \$3000, so they feel they have a lot to give back.

Their advice to new members about getting involved in the club is that the best way to have fun and make new friends is to volunteer for some of the activities. It's worked for them!
