October 2021 Edition

President's Corner

What a busy and charitable month September was for our club. We started with our first member Appreciation picnic. It was hot as \$%&# but we all relaxed and had a nice relaxing day full of music and pun.

We continued with 3 great phlockings with some new music that everyone really enjoyed and you, our members, really came through. We collected over 550 pairs of shoes, at our phlockings, for our charity, Shepherd's Lighthouse where homeless women and children can call home while learning the skills to become a productive family unit in society. Thanks so much to Bob Williams for chairing this fundraiser.

We also had a very successful fundraiser at Cody's Roadhouse where we raised over \$2000 for postage for Operation Shoebox, which ships care packages overseas to our troops. Your generosity never ceases to amaze me.

We finished up our Sunday golf scrambles and they were a lot of pun again this year. Thanks so much to Lil Roe for heading up this adventure which so many members enjoy.

October starts us off with our Daytona beach Bash at the best western Aku Tiki. What a great band lineup we have. We have over 100 rooms rented for a pun weekend. It is gonna be a blast. And who knows, we might see one.

We have 3 great phlockings scheduled this month and we top it off with our Halloween extravaganza and then we head to the Meeting of the Minds in Key West FL. The pun just never stops as we continue to Party with a Purpose.

C U soon Parrot Heads – Until then – Keep your Phins Up  !!!

October Phlockings

Oct. 6th at Palmer CC

Bring your chairs and plan to get there early. The Phins Up Shop is **Pick Up Only**. The party starts at 3:30 and runs until 6 PM. This is the first time Jack Mosley has performed for us. Jack is originally from Panama City Florida, and considered by many to be one of the best "TropRock" songwriter and entertainers in the country.

Jack has performed all over the all over United States and the Caribbean and has opened shows for artist such as Johnny Cash, Tanya Tucker, Phil Vassar, The Warren Brothers, and Bad Company to name a few. You don't want to miss this him.

Oct. 20th at Havana CC

We are at the Havana Country Club. It's a good idea to bring your chairs. This Phlocking runs from 2:30 to 5:00 PM. The **Phins Up Shop is open**. Don Middlebrook is back! One of the best known Troprockers in the country and one of our favorites. The Trop Rock Music Association justly awarded him "Songwriter of the Year" in 2015. His albums, The Key West Connection and Songs from Talespin Bay, were given the honor of "Album of the Year" and runner up for the same award.

Jimmy Buffett's Orlando Concert

Jimmy Buffett is playing live at the Amway Center in Orlando on Saturday night, December 11th, 2021. A bunch of our members decided to get tickets for the show. They are in section 225, row 12-13-14-15. You guessed it - the nose bleed sections. Tickets are not cheap and come to around \$106 each with all the taxes and fees. There are still some seats available. If you want to attend, you need to go onto the Ticketmaster website to purchase them. The club does NOT have tickets for sale.

We are also looking for a hotel (or hotels) to stay at so we don't have to drive home from Orlando after the concert. Hey - there will also be a tailgate party somewhere which is also a lot of phun at a Jimmy Buffett concert. Get your tickets ASAP if you plan to go.

Oct. 10 at Belle Glade

The **Phins Up Shop is open**. This is the Food Drive Phlockings for October. This month our donations will go to the Fruitland Park Food Pantry. We have another new musician playing for the Club. Tim Hargis has been a local musician in Central Florida for 30 years, is a resident of Clermont, and plays multiple venues from The Villages to Orlando. He plays sax and guitar.

Super Bowl Party

On February 13, 2022, the Club is having a Super Bowl Party. Too soon to have details yet but mark your calendars.

The Club will bring tents and set them up for members. The bands will play on Friday and Saturday. The line up hasn't been published yet but it's always been the best of trop rock bands in the country and we expect no less for 2022. Club members usually stay at the Origins at Seahaven which is a high rise con-do right across the street. Vacations Perfected (vacationsperfected.com) is an agent that several members have used to make reservations. It is a big party that lasts for days. More information at "Panamacityphc.org".

Meeting Of The Minds

From Wednesday, November 3 to Sunday, November 7th, Parrott Heads from all over the world will descend on Key West for the annual MOTM Convention. If you've never been, it's a good time to go and if you've already been there, you know it's time to go back.

The Club is hosting a party at the Smoking Tuna on Saturday, November 6th starting at 9AM. Many Bloody Marys will be served.

We never know if Jimmy is going to show up. He does turn 75 this year. Some years and some years not. Everyone will have their fingers crossed and rumors will fly all on the coconut telegraph. What we can count on is listening to the best trop rock musicians in the world.

The Convention is at the Casa Marina Hotel but the party is spread all over Key West. Captain Tony's, Sloppy Joes, The Green Parrot, Hog's Breath, The Bull and Whistle and the Schooner Warf Bar to name just a few.

Sue Kermis is the Club's key contact person. Her phone number is (585) 576-7622.

One of the world's best parties for sure.

Results of September Food Drive

Donations to the Wildwood Food Pantry in September were \$465 in food and \$22 cash.

October Food Drive

This month the Food Drive will be for the Fruitland Park Food Pantry. **It will be held at Belle Glade.** Following are the foods that AARP recommends for donations to Food Pantries:

- Dry or Canned Beans
- Brown Rice or Whole Wheat Pasta
- Canned Tuna or Salmon
- Peanut or Almond Butter
- Dried Herbs and Spices
- Cooking Oils
- Canned Fruit
- Canned Tomatoes
- Steel Cut or Rolled Oats
- Baby Food

The average poverty rate for Fruitland Park is 14%. For children under 12 the poverty rate is 22%. Please be generous.

Center Hill Children’s Mission

The Club donated \$1,000 to the Center Hill Children’s Mission. Ms. Betty, as she is know by the children, and her husband operate an after school and weekend center for the children of migrant workers. They help them with their school work because often the children’s parents don’t speak English. They provide them meals and make sure they have clothes. Our donation is very important to them.

The following article appeared in the Daily Sun on September 5th.

The Villages Parrot Heads

Pre-pandemic, the Club was involved in a variety of activities, all for the purpose of raising money for various charities. During the pandemic, the Club still continued fundraising for a variety of efforts including local Humane Societies, Have of Lake & Sumter Counties and Habitat for Humanity of Lake & Sumter Counties, but instead of having holiday themed parties and participating in parades, members looked to new ways to continue helping others. Including blood drives. “We weren’t able to meet in person anymore and phlockings for gatherings were canceled, so we started holding drive by food drives and staggered capacity blood drives” said Club President Mark Woodland. When the group wasn’t able to hold high capacity blood drives, it held blood drives in the driveways of club members. “We were happy to lend a hand and it gave us a chance to do something good as a club” the Village of Gilchrist resident said. At a social distancing guidelines have started to relax, the group has been holding school supply and blood drives and bonding together as a club. Now with each blood drive, members try to collect more blood than the drive before. “There’s a new determination to help others,” said Woodland.

9/11 Blood Drive Results

The 9/11 annual Blood Drive was held on September 10th and 11th at the Fire House. One Blood collected 429 pints of blood. **This year the Club’s blood drives have donated 1,587 pints.** Members also donated 250 hours of service to make this one of the best drives the Club has ever had. Each pint of blood has the potential of saving 3 lives. That means that your Club has provided enough blood to save the lives of 4,761 people. That deserves a Team Drink!

Operation Shoe Box Fundraiser

The fundraiser for Operation Shoe Box produced a donation of \$2,200 to help send holiday gifts to military troops stationed away from home.

A big Thank You goes out to all the people who took the time to attend this month's Party with a Purpose.

Results of September Shoe Drive

It appears that Club members had way too many shoes. The final count was 554 pairs of shoes were donated to the Shepard's Lighthouse.

The Poetry of Jimmy Buffett

Dreamsicle (1979)

Let me tell ya now
He sips, he quips
Dreams a lot about sailing ships
Wants to throw it all away
Wants to have it back someday

Loves fool, sears tools
Wants to win that football pool
Spend it on some real good grass
Disappearin oh so fast

Tell my story pain and glory
Guess my occupation
Free and easy warm and breezy
Overnight sensation

I got house pets, lear jets
Tryin to learn about basinettes
Oh miss piggy dance with me
Let me take you to the sea

Dreamsicle, big dill pickle
High school honeys sure were fickle
Ill be damned, country ham
Takes me back to alabam

So won't you tell my story pain and glory
Guess my occupation
Free and easy warm and breezy
Overnight sensation

Let me tell ya now
He sips, he quips
Dreams a lot about sailing ships
Ill be damned, country ham
Takes me back to alabam

Time to Renew for 2022

I think you will agree that since we have started back up again, we have had some absolutely great entertainment at our phlockings and we are continuing to bring in the best musicians possible for our members. Well, I have some good news and bad news.

First the bad news - as you know, the cost for everything is going up and so is the cost of this great entertainment. Our budget for entertainment in 2022 is approximately \$11,500. Unfortunately, we must raise our renewal dues in order to meet this demand.

Starting January 1st, 2022, renewal dues for the Villages Parrot Head Club will be \$25.00 per person.

Now for the good news - Starting on October 1st, 2021 (or soon after), **You can renew your dues for 2022 at our 2021 price of \$20, Online only.** The increase does not take affect until January 1st, 2022. This is still the biggest bargain around. Just think - 36 phlockings a year with excellent entertainment for the price of your renewal. Our New Member price will remain the same at \$30 a person.

So starting on October 1st, you can go to our website at www.villagesparrotheads.com and click on renew your membership.

We have BIG plans for 2022 and we hope that you will join us once again.

Proposed Amendment to Club's Bylaws

By Steve Larson

The last time the Club's Bylaws were changed was in 2011. Back then we were a small club. Today we are over 1,200 people and still growing. Our current Bylaws don't allow for the Executive Committee to propose changes. The **only way** the Club's Bylaws can be reviewed/amended or changed is when a member in good standing prepares, circulates, collects a minimum of 10% of member signatures and presents the petitions to the Executive Committee. Once presented to to ExComm, the process of By Law review begins which may or may not result in a vote by the membership to change the By Laws.

The amendment petition I am now circulating will give the Executive Committee the ability to propose Bylaw amendments to the membership without a member petition. Any By Law amendment proposed by the Executive Committee will still be required to go before the membership for a vote.

By Law Proposed Amendment: Article XI. A. 1. The Executive Committee shall be authorized present Bylaw amendments to the Club's membership for approval.

Member Advocate

Jack Maiz is the Club's Member Advocate. He is available to any member who has an issue with the Board, the Club or another member. His job is to find a resolution while insuring member confidentiality.

Jimmy Buffett Triva

In 2006, Buffett launched a cooperative project with the Anheuser-Bush Brewing Company to produce beer under the Margaritaville Brewing label called LandShark Lager.

Bob Williams interview by Alma Scheer

Our Parrot Head Profile this month features Bob Williams. Bob has lived in the Village of Bonnybrook for eight years now. He likes the location of his home for its close proximity to what's important to him; easy access to Spanish Springs, right off of Buena Vista Blvd., and close to the shopping on 466.

Bob is an avid golfer and usually plays at least four times a week. He is a member of the Single Golfers of the Villages, Single Baby Boomers, the Chicagoland Club, the Bonnybrook Social Club, the Four Seasons Social Club, and Good Vibrations Music of the Beach Boys; a Celebration of their Music.

Bob, who is a graduate of Western Illinois University, is originally from Chicago, both the inner city and the suburbs. In fact, for the last 28 years before moving to The Villages he lived two blocks from Wrigley Field, the Chicago Cubs baseball stadium. Needless to say, it made him a very popular guy with friends who wanted to use his parking space. He is also a US Army Veteran who served two years during the Viet Nam era conflict.

Before Bob retired to the Villages he was a men's sportswear buyer for the largest department store in Chicago, Marshall Field's. He said it was so much fun to spend other people's money when you go shopping! He had a lot of great experiences with celebrities that came to the store to make appearances, including Bobby Riggs who spent three days visiting three stores with Bob as his constant companion. He also got to meet professional golfers Jack Nicklaus and Tom Watson, among others, through his job.

When Bob lived and worked in Chicago he was a member of the largest ski club in Illinois, the Lake Shore Ski Club. They had 1500 members and Bob served a term as president of the club.

One day after finishing a round of golf, Bob encountered a Parrot Head Phlocking and ran into Ren Titus, who was our volunteer coordinator at that time. Ren befriended him and became somewhat of a mentor to him by getting him to go to work for the club. Way to go Ren!

You may have met Bob taking attendance at Phlockings. That was his first venture into volunteering for the club. He has also collected the food donations and delivered them to the food pantry in Lady Lake and worked at the golf outing to benefit Hospice of The Villages. He is now a member of the Charity Committee and was asked to be the chairperson for the shoe drive to benefit Shepherd's Lighthouse which collected 554 pairs of shoes!

What Bob loves most about our club besides that great music, is that we "Party with a Purpose." He says it's a nice balance of social activities and charity work.

He suggests that new members talk to Jaci Burdash, the volunteer coordinator and she will be more than happy to inform them about what volunteer opportunities are available to them.

OUR FIRST ASSIGNED SEATING EVENT-

Our first On-Line sales with assigned seating, The Halloween Party, went very smoothly. All tickets were sold out within the first 2 hours. There were no issues and only 1 person called with a question. Great job everyone. Wish we had more seating so more people could attend.

WHAT DID WE LEARN-

No matter how you sell tickets where there is a high demand for a limited number of seats, there will always be those who don't order in time. This is true for On-Line or In Person sales. *I am sure you all remember the long lines waiting to see what tables were still available when you finally got to the front.* It truly was a first come, first served basis with no waiting or lines only to find out your table was already taken or, even worse, there were no tickets left. But.....we did learn something.

We are always looking for ways to recognize those members who take their time and volunteer. We recognize Volunteers by awarding VOLUNTEER POINTS. Going forward, On-Line tickets for assigned seating events will take into account those valuable and appreciated Volunteers.

HOW WILL WE DO THAT-

How do you allow for Volunteers to get advance opportunity and still remain as fair a process as possible. How do you manage when a Volunteer wants to buy a table and the other members don't have any VOLUNTEER POINTS.

Here's how: Based upon the number of seats and event can hold, a fixed number of VOLUNTEER POINTS will be announced for the advance VOLUNTEER ticket purchase.

The most tickets ANYONE can purchase will be 1 table (based upon whether it is 6-8-10-12 seats per table).

The VOLUNTEER POINTS needed would be based upon how many tickets you order.

As example: If the VOLUNTEER POINT LEVEL is set at 3 points for an event, and you want to purchase 4 seats, you will need a total of 12 points. **NOTE:** *It DOES NOT matter if all 4 people have 3 points each, or if 1 person has 12 points. As long as the total VOLUNTEER POINTS for the order totals 3 points per person, you will be allowed to use the advance purchase. This truly rewards those who volunteer the most throughout the year.*

4. With every email blast about an event, a current list of ALL MEMBERS with VOLUNTEER POINTS will be attached. In this way, when you go to order your tickets, you will know whether or not your order will qualify. (If it doesn't, your entire order will be rejected). This Volunteer points list will also be readily available on the WEBSITE.
5. How long these Volunteer advance tickets will be available will be based upon the event and the total seat capacity.

BACK TO THE FUTURE

Allowing Volunteers with points to purchase tickets, in advance, is nothing new. We have done this for quite a while. Our new ON-LINE purchasing, takes the lines at PHlockings away. It allows EVERY MEMBER the same opportunity to get tickets without having to attend a PHLocking.

By modifying the previous system to allow for accumulating points per order, we have added the benefit or rewarding those who have accumulated more points greater flexibility when placing their order.

Any questions about how to use the On Line Ticketing System, contact me. Any questions regarding the distribution of tickets based upon points accumulated should be directed to Mark the Shark, our President.
